

2019 - 2021 CME Cycle

American Osteopathic Board of Family Physicians (AOBFP)

American Osteopathic Board of Family Practice diplomates with at least one specialty certification participating in OCC must earn a minimum of 120 CME credits. 30 credits must be AOA Category 1A, an additional 30 credits can be either AOA Category 1A or 1B. The remaining 60 required credits are flexible, e.g. 60 out of the total required 120 credits can be either AOA Category 1A, 1B, 2A, 2B or AAFP credits. Thus, these credits may include AAFP or ACCME accredited activities as defined by the AOA CME Guide. Physicians entering the program in mid-cycle should review Appendix A of the 2019-2021 CME Guide for additional information. Please contact the AOA Customer Resource Center (CRC) at (312) 202-8000 or email memberservice@osteopathic.org (mailto:memberservice@osteopathic.org) for general CME-related questions. For questions regarding AOBFP OCC requirements or other AOBFP information, please contact AOBFP at 312-202-8477 or email aobfp@osteopathic.org (mailto:aobfp@osteopathic.org).
